# KDE's wikis

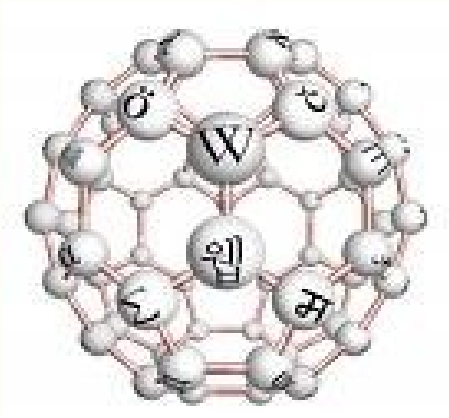
## getting closer to world domination with SMW and Halo

**Lydia Pintscher (@nightrose)**

03.07.2010 | Tampere, Finland | Akademy 2010

# What is SMW?

- Semantic MediaWiki
- MediaWiki extension



She's not talking about me, is she?

# What are Halo and SMW+?

- Extensions to SMW
- Make it more user friendly/usable/useful
- Add more features

ontoprise
know how to use Know-How

# Why do we need it?

- Wikis are awesome for some tasks
- We do a lot of our collaboration in our wikis (techbase, communitybase, userbase)
- They are not as useful as they could be in supporting our work
- Adding and using semantic annotations will help

# What are we using our wikis for?

- User documentation
- Developer documentation
- Event/sprint/meeting planning
- Release planning/management
- Task lists
- Knowledge store
- ...
